

NAVY CHILDREN SCHOOL DELHI- 110021

Circular No: 162/2024-25

Date: 5 August 2024

Dear students

We are excited to announce an incredible opportunity for you to participate in the **International Astronomical Search Collaboration (IASC)**. This citizen science program provides high-quality astronomical data to citizen scientists around the world, enabling them to make original astronomical discoveries and engage in hands-on astronomy.

The IASC is organizing a month-long event where you can immerse yourself in the fascinating world of astronomy and contribute to real scientific discoveries. If you are passionate about space and eager to be a part of this unique experience, we encourage you to register for this program.

Registration Details:

Name of Event: International Asteroid Search Program 2024

Requirement: 1. Access to a Windows computer.

2. Internet connection.

Date of the Event: Aug,24 - Sep,24

Participation Classes: VI-XII

Don't miss out on this amazing opportunity to explore the universe and make your mark in the field of astronomy!

Interested Students kindly forward your details to Ms. Priyanka Singh Tomar (9654313009) by 15 Aug,24.

(Oshima Mathur)
