

**NAVY CHILDREN SCHOOL**  
**CLASS - XII (2024-25)**  
**SPLIT UP SYLLABUS**  
**MATHEMATICS (041)**

| Month          | Name of Chapters  |
|----------------|---|
| March -<br>May | 1. Relations and<br>Functions<br>2. Inverse Trigonometric<br>Functions<br>3. Matrices |
| June           | 4. Determinants<br>5. Continuity and<br>Differentiability                             |
| July           | 6. Application of<br>Derivatives<br>7. Integrals                                      |
| August         | 8. Application of<br>Integrals<br>9. Differential Equations<br>10. Vectors            |
| September      | 11. 3D Geometry   |
| October        | 12. Linear Programming<br>13. Probability   |
| November       | Revision  |
| December       | Revision  |
| January        | Revision  |
| February       | Revision  |
